chair and told his story to the Judges, an issue. the jurors and the half-filled court

Edwards's Story of the Shooting. "I was standing in a group of gentle-

"I was standing in a group of gentlemen who surrounded the Mayor," said Edwards, "when I heard a report of a revolver near at hand, followed by cries and confusion. I knew instinctively the Mayor had been shot. I flung my head to the right and saw a man's band holding a revolver at an angle toward.

"At 250 o'clock there was a florty as the jurous filed in but it developed that they had only owne in fey further instructions. They wanted to know this: "Can we find Gallagher guilty on the instruction if we do not think he intended to does the fact that he intended to the Mayor. The revolver had just been kill some one case justify us in finding first and the muzzle of it w. not less than two nor more than six inches from tent to kill?" than two nor more than six inches from than two nor more than six inches from the Mayor's head, I went to the Mayor's existence."

To this query, which was made writing, Justice Swaysee answered.

"If he intended to shoot be intended."

asked Mr. Garven.
"I dived right at the holder of the sun," said Edwards. "I jumped for him and tackled him around the waist. I dragged him back and as I did so, strugbuilet had sloughed the flemby part of In answer to the clerk's question the my left arm above the clow. I had the foreman simply said "We find the dewound dressed at St. Mary's Hospital fendant sullty," and all the eleven others nedded. Gallaguer had listened

Re-Acts the Shooting.

On cross-examination Mr. Simpson caused Mr. Edwards to act out in pantumine his grapple with Gallagher, Simpson representing the Mayor and Gawards and Gallagher played themselves. Edwards singe managed the reduction. He phone the other two his production. He placed the other two in an open space in front of the jury box and showed with a considerable display of histornic telest how he jumped past his wounded chief, wrapped his mighty him the production of the production. The production is a production of the pr arms around Gallagher and huried him backwards. He yanked Gallagher around pretty briskly as he re-acted the

This over, he returned to the witness chair and told how he flattened Galla-gher against the deck planks and held im there struggling.

Henry 8. Thompson, Commissioner of Gas, Water and Electricity, testified that he saw Gallagher in the act of shooting the Mayor. He sprang for the assassin, but Edwards, who was hearer, had already selzed the man with the

"Bob" Adamson, the Mayor's secre-tary, testified that he saw Gallagher stunned was suddenly approach Mr. Gaynor, press a to his cell. suddenly approach Mr. Gayaor, press a revolver to the Mayor's head and fire.

Dr. S. J. Lederic, Health Commissioner, who was talking with Mayor Gaynor at the remnent of the attack, said he saw a hand health saw a hand saw a hand

Tells of Gallagher's Statement. James W. McCarthy, Second Assistant Prosecutor of Hudson County, swore he

Prosecutor of Hudson County, swore he interviewed Gallagher in the jail office it Jersey City on the day after the hooting. Gallagher was willing to tail, 4cCarthy said, and made some corrections in a statement which McCarthy prepared, but declined to sign it, although admitting the truth of what it contained.

Over Mr. Simpson's protest Mr. Gar-ven was permitted to read the un-signed statement that McCarthy bad prepared, in which Gallagher was quoted as saying he desided to kill Mayor Gaynor after he read in a paper that the Mayor was starting that day for Europe on his vacation, and that the shot which wounded Edwards

that the shot which wounded Edwards was really meant for Gaynor, as he had no grudge against Edwards. Gallagher had added to his statement:

I am sorry now that I shot Gaynor, and I think I must have been insane. But I thought how Gaynor was going away to have a good time, while I, who had lost my job through him, was going to be a bum on a park bench, and I decided to kill him, as he had refused to renatate me in my place.

Patrolman Daniel O. Kelly of Ho-boken identified a signed statement which Gallagher made to him just after tridges and certain papers.

favor of his previous motion. It was denied and then the lawyers sammed up.

Mr. Simpson led off. He required only a few minutes. Mainly he contented himself with rehearsing the points he had already made in his argument for the discharge of his client. He pointed out that His client was not being tried for the attack on Mayor Gaynor, but for a very different act—an act which Simpson contended was purely acci-dental.

Mr. Vickers summed up for the State He didn't take up much more time than Mr. Simpson did. He contended that whether Gallagher tried to kill Gaynor or tried to kill Edwards, he was guilty.

Justice Swayse gave the charge to the jury. His construction of the law bore heavily upon the defendant's chances.

Edwards wedged his 300 and odd He impressed upon the jury that the pounds into the all too narrow witness question of Gallagher's sanity was not
